Small Works Roster & Consultant Service Roster

Municipal Research Services Center (MRSC) Rosters is the new online shared Small Public Works contractor Roster and Consultant Service Roster for local governments in Washington State, including Clallam Transit Systems, to search for eligible Contractor and Consultant service providers by service category. Clallam Transit System does not maintain Small Works or Consultant rosters separate from those provided by MRSC.

For Contractors and Consultants

MRSC Rosters is a convenient and cost-effective way for marketing services to Agencies statewide through only one registration process. To register, go to www.mrscrosters.org.

Operated by the not-for-profit Municipal Research & Services Center of Washington (MRSC), the MRSC Rosters are a fee-based service for all participants charged annually; however Contractors and Consultants do have a free option to register for individual Agency rosters.

For assistance with the application process, contact:

Ellen J. Hutchinson
MRSC Rosters Manager
